## ***2011 Statement of Non-Filing***

Re:

*Student's name*

*Student's Social Security number*

On behalf of the above named student's application for financial assistance, I certify that I have not filed and will not file a 2010 U.S. Income Tax Return 1040, 1040A, 1040EZ, 1040TELE or electronic tax form **and/or** a Puerto Rico Tax Return.\*

Below I have listed each 2011 employer and other sources of income. (2011 W-2 forms must be provided for all wage income.) Documentation of untaxed income for 2011 also must be submitted.

**Source**

**Amount Received**

**Year Received**

I also understand that the Student Finance Office at the University of Connecticut School of Law may request that I provide verification of the above information directly from the Internal Revenue Services.

I have not received any income, other than that listed above, from any other source during 2010, including money paid on my behalf for living expenses and/or tuition.

***\*I understand that a review will be made of all W/2 forms and this Statement of Non-Filing. If requested by the Student Finance Office, official documentation from the IRS must be submitted regarding the taxpayer's exemption from filing. If such documentation is not submitted and/or it is determined that the taxpayer is NOT exempt from filing a tax return, the student will NOT be considered for a tuition remission grant OR Federal Stafford Loans/Grad Plus Loans.***
