Placement Time Log

Law students are encouraged to make a Pro Bono Pledge to perform a minimum of 50 hours of pro bono service, while enrolled at the Law School. Students are encouraged to make this pledge during their first year of law school, but may do so at any time prior to completion of their final year. Students who fulfill their pledge, and submit required documentation of their pro bono service, will receive a notation on their law school transcripts indicating that they have fulfilled a voluntary pro bono pledge by contributing 50 hours or more of pro bono service. Students who complete 100 hours or more of pro bono service will receive additional recognition from the Law School.

Please complete a separate placement time log for each placement. Completed logs should be returned to the Office of the Registrar.
