

# HUSKYMMAIL

## What is Huskymail?

Huskymail is Uconn's Main campus mail system for students.

## What is my Huskymail address?

Most Uconn students have an email address of the form ***firstname.lastname@uconn.edu*** but may be different in some cases. In addition, messages to the addresses ***firstname.lastname@huskymail.uconn.edu*** will also be delivered to the same mailbox.

## How do I log in to check Huskymail?

The link to access your mailbox online is <http://huskymail.uconn.edu>

## What is my NetID and how do I find it?

Your NetID is the username needed to access your mailbox.

If you don't know your NetID, you may find it at <https://netid.uconn.edu/SearchNetID/>

## How do I reset my NetID password?

The link to reset your NetID password is <https://netid.uconn.edu/ResetPassword/>

If you have problems resetting your password, **contact the Help Desk** at Storrs by phone **860-486-4357** or email [helpcenter@uconn.edu](mailto:helpcenter@uconn.edu)

## Can I access Huskymail via IMAP connection using a mail client?

Yes. For setup and other questions, please go to

<http://helpdesk.uconn.edu/mail/imap/outlookimap.html>

**If connecting from home**, you will need to enter your own Internet Service Provider (ISP) outgoing SMTP server.

## I have more questions, is there a Huskymail F.A.Q.?

This link contains Frequently Asked Questions about Huskymail and NetID accounts
