APPLICATION FOR IN-STATE TUITION

In-state tuition rates are a privilege authorized by the Connecticut General Statutes and are awarded only upon successful application for in-state tuition. Generally, the residency classification is determined at the time of application for admission.

The University makes its decisions according to the applicable state law and within procedures developed to conform to the boundaries of this law. In-state tuition is governed by General Statutes 10a-26, et. seq. The purpose of this application packet is to help you collect and submit the appropriate documentation to support your petition for in-state tuition rates.

An individual is eligible for in-state tuition under one of the following conditions: (1) as an emancipated student who is domiciled in Connecticut; (2) as an unemancipated student whose parents are domiciled in Connecticut; (3) as a Connecticut resident who attended four years of and graduated from a Connecticut high-school; (4) as an emancipated student whose spouse is domiciled in Connecticut; or (5) as a member of the military whose Home of Record is Connecticut or who is stationed in this state pursuant to military orders.

There are three steps by which you apply for in-state tuition. First, you must determine the criteria you are using to support your application. Second, you need to collect and submit the appropriate documentation by the due date. Finally, we ask you to sign a notarized affidavit confirming the accuracy of the information submitted. Please note you may or may not be called for an interview, after which you will receive notification of your application status.

A Note on the Importance of Accuracy and Honesty:

All students are subject to Responsibilities of Community Life: The Student Code, which prohibits the act of providing false information to school officials. Students who falsify their information or intentionally submit inaccurate information will be subject to the Student Code. In addition, the professional schools (law, medical, dental) have additional ethical standards, the violation of which may jeopardize ability to obtain your degree and/or licensure. For more information, please see http://www.community.uconn.edu/student_code_partiii.html and contact your Residency Officer.
