My signature below certifies that the above information reflects my summer enrollment intentions to the best of my knowledge at this time. I understand that:
- Financial aid may not disburse more than 10 days prior to the beginning of my class(es).
- Federal Direct Loans require half-time (6 credit) enrollment.
- Financial aid may not exceed cost of attendance (COA). COA does not automatically include certain indirect expenses for enrollment levels less than 6 credits. I can contact Student Finance for more details.
- Cost of attendance and financial aid may be recalculated should my summer enrollment change.
- Changes may occur after aid disbursement, with change notifications sent to my University email address.
